Frequently Asked Questions

Is a cake included with the party package?

Birthday cakes are not included with the party packages.

Can we bring outside food for our party?

We do not allow outside food and beverages into the park with the exception of cake and ice cream. We do make exceptions to this rule for special dietary restrictions. If you have specific questions, please give us a call at the park.

Do I include the birthday child in the head count? Yes

How long do parties typically last?

This depends ultimately on the package that you choose and how busy we are. In general, parties tend to last approximately 2.5-3 hours.

What is the schedule of the party?

The schedule for the party packages are as follows: When you arrive your table will be ready and table time will begin. We will start off with your beverages of choice and popcorn while guests arrive. We will issue your birthday bags with arcade tokens so that guests may play in the arcade. Meanwhile, the birthday captain will get the food order so that guests may begin eating within 30 minutes of the start of table time. Next, it will be time for cake, followed by the opening of gifts. After table time, the party captain will gather the party participants and take the group photo. After the group photo is, it's attraction time. At this time, guests receive wristbands for the attractions.

I'm not exactly sure how many guests we will have. How does this work?

The base price includes up to 8 guests, you will only be charged additionally if you have more than 8 guests. Please estimate what you think is the highest amount of kids that you are likely to have participate at the party. That will allow us to have enough bags and supplies prepared for all the possible participants, and you will only pay for the ones that you actually need that exceeds the 8 participants. If you have any large fluctuations please let us know as soon as possible so that we can be prepared for all your guests when you arrive for your party.

Your final balance is due on the day of your party, your deposit will be credited towards the total and you will pay the remaining balance. We accept cash and credit cards, sorry no personal checks.

What happens if we have inclement weather?

In the event of inclement weather you may reschedule your party, exchange your attractions for arcade tokens, or exchange your birthday wristband for attraction tickets to come back another day.
